12. Identifying a Major

Please refer to the list of OSU Graduate colleges and majors. Please be advised that many departments will only consider an applicant who has met the English Proficiency requirements. *Therefore, an applicant for those departments will not be referred for review until a valid TOEFL score report has been received by the Graduate College.*

You must specify a major(s) at this time. Please indicate the degree type (MS, PhD, etc.), intended major, and option you wish to study. Enclose the required processing fees of \$75.00 for the first major and \$25.00 (each additional application) for each of the majors for which you wish to be considered. You can submit your application and fee payment using our web-based application. The application website is at: <https://app.it.okstate.edu/gradcollege/>

15. Education History

Academic records for post-secondary schooling, national examinations, and all subsequent education must be submitted to complete this application. All academic records that are not originals **MUST** be certified (attested) true copies issued by the educational institution you attended (notarized copies are not acceptable). If certified true copies are submitted and you are accepted to OSU, you will be required to present the original documents upon arrival for enrollment. All educational documents submitted are subject to verification of authenticity by the issuing institution. Do not submit original educational credentials for which you cannot obtain duplicate records. All documents submitted with the application become the property of Oklahoma State University and cannot be returned.

If you have previously attended or are currently attending an educational institution and the final transcript, certificate, diploma, or degree has not been issued, you must disclose this information and list the anticipated date that the transcript or certificate will be available. If a transcript or certificate is not expected, you must include an explanation with this application.

WARNING: Universities in the United States require a prospective student to list all educational institutions attended on their application for admission. Applicants do not have the option of omitting credentials for any reason. Failure to disclose **COMPLETE** educational background and submit **COMPLETE** educational credentials **will affect** your admission and/or enrollment opportunities at OSU.
