### ***Agenda 1: Election for officer positions***

Nominations for the position of president and treasurer were received and decided before today's meeting. The remaining position of vice president and secretary were fulfilled through a unanimous decision during the meeting. The newly elected officers of the GSIT are as follows:

President- Sarah Hileman

Vice President- Adriana Townsend

Secretary- Shauni Windle

Treasurer- Bobby Bowser

Congratulations to the officials!

### ***Agenda 2: Symposium committee***

The annual ITOX symposium for 2021 was held last week on April 21<sup>st</sup> and 22<sup>nd</sup>.

General review: The first day of the symposium had presentations by guest speakers, fellows, graduate as well as undergraduate students. The presentations by students and fellows were judged and awards were presented. Second day of the symposium had research presented by faculty members of the ITOX society. A quiz was held covering questions across presentations from both days but some technical difficulties were encountered. Overall, this was the first time the symposium was held virtually and it was conducted successfully.

### ***Agenda 3: GPSGA update***

There were no new updates. Only elections were held to decide office bearers. Bobby will provide a summary about the upcoming GPSGA meeting the end of April.

***Agenda 4: Outreach committee***

Graduate committee (Katie) reached out to different departments with information about our society and the recently held symposium. Positive responses were received from 2-3 departments interested in our society.

There were no reports from the undergraduate committee.

***Agenda 5: Social committee***

Social committee (Sarah and Adriana) will add more information to the ITP website and Facebook page and upload pictures from the recently held symposium.

***Agenda 6: Fundraising committee***

There are new stylist polo shirts available for purchase with the ITOX logo embedded on it. The price of each shirt is \$25. Orders were placed by Ibrahim and Shauni.

***Agenda 5: Miscellaneous***

The regional OP-SETAC conference will be held from May 10-12. The Abstracts submission deadline was this Monday. However, students interested to still present can get in touch with Sarah if they want to send their abstracts. The meeting will be held virtually and registration is free. Membership fees are encouraged but not required to attend the meeting.

Motion to adjourn: PM
