

GSIT Meeting

November, 27th, 2018

Meeting Start 4:00 PM

LSW 509

Attendees: Ana Chicas-Mosier, Kirstin Hester, Md Ibrahim, Stacey Herriage, Debarati Chanda, Sarah Hileman, Joel Hickey

Minutes

Agenda item: Toxicology T-Shirts

Discussion:

We have a few toxicology shirts available for \$15. Only short sleeve shirts in small and x-large left. Long-sleeve would need to be ordered. The current shirt design is black, with a small OSU ITOX logo on the front right pocket, and the orange ITOX logo is large on the back. Both cash and cards accepted.

We contacted Stillwater Screen Printing, who has the image file for the ITOX logo. They are able to make the following items for us: polos (orange or black; \$20), pint glasses, mugs, other small promotional items. No minimum order is required for shirts.

Action items	Deadline
Contact Ana (ana.chicamosier@gmail.com) if you would like to place an order.	Ongoing

Agenda item: GoFundMe Account

Discussion:

Stacey created a GoFundMe account for GSIT which allows us to accept donations. It will be posted onto the official OSU ITOX page on Facebook. Members can share it from their own personal Facebook pages if they would like.

Action items	Deadline
None	None

Agenda item: Spring '19 Classes

Discussion: The following classes which count towards an ITOX certificate are being offered next semester:

Biochemical Toxicology

Toxicology: From Molecules to Ecosystems

Nonclinical Drug Development

Techniques in Environmental Toxicology

Action items

None

Deadline

none

Agenda item: Overview of Graduate Panel

Discussion:

The Graduate Panel event was earlier this month (Nov. 13th and 14th). Eight students attended the first night, and 5 students attended the second night (including a repeat student). This was a successful turnout, and we were able to get good outreach.

Action items

none

Deadline

none

Agenda item: Graduate Outreach Committee Updates

Discussion: Aimee has been reaching out to professors of interest at the Tulsa campus and has emailed student organizations at the Tulsa/Med school campus. Bobby has reached out to professors at the main campus, who will be sending information along to graduate students who may be interested in ITP.

Action items

None

Deadline

None

Agenda item: Poster Session Update

Discussion: The potential date for the ITP Symposium is March 25th, 2019 (later than in past years). The poster session committee will look into potential rooms for our symposium located in the student union since we will not be overlapping with OSU research week.

Action items

None

Deadline

none

Other Information

Fellowship Picture - We will reschedule the picture for a later date via a Doodle poll. We are considering taking separate pictures for the Stillwater and Tulsa campus to minimize travel required.

Happy Holidays!

Motion to adjourn 4:34
