2.8.2.1. Full Member. New tenure-track Oklahoma State University faculty members shall be granted an initial appointment as a Full Member of the Graduate Faculty at the time of employment. Clinical, research and adjunct faculty can also request Full Member status through their academic unit. Initial appointment shall be initiated by submission of the “Appointment to the Graduate Faculty” form by the Unit Head to the Dean of the Graduate College. Oklahoma State University faculty who are reappointed, promoted and/or granted tenure shall be immediately eligible for renewed membership. Members must be evaluated at least once every five years by a committee of other Members in their unit to determine if they meet the Subject Matter Group requirements for renewed membership. Candidates may appeal a Graduate Faculty evaluation to the Officers of their respective Subject Matter Group through the standard Subject Matter Group review process. If that appeal is rejected, the candidate may appeal to the membership committee of the Graduate Council.

2.8.2.2. Newly-Appointed OSU Faculty. Faculty appointed to a tenure-track position within an OSU unit shall be appointed as Full Members of the Graduate Faculty, effective the semester of initial academic appointment. Initial appointment shall be initiated by submission of the “Appointment to the Graduate Faculty” form by the Unit Head to the Dean of the Graduate College.

2.8.2.3. Associate Member. Appointment and reappointment as Associate Member of the Graduate Faculty is contingent upon meeting the appointment criteria of the member’s Subject Matter Group. The normal term of membership for Associate Member shall be for no more than five years and shall be renewable. Appointment and reappointment as an Associate Member shall be initiated by submission of the “Appointment to the Graduate Faculty” form by the Unit Head to the Dean of the Graduate College. The Dean will then forward this form to the appropriate Subject Matter Group for review.
2.8.2.4. **Associate Member for Teaching Only.** Individuals assigned to teach courses for graduate credit may be appointed as Associate Members of the Graduate Faculty for a period not to exceed one year, upon nomination by the Unit Head responsible for the course in question and approval by the Dean of the Graduate College. Renewed appointment beyond one year shall be subject to the procedure described for Associate Membership in paragraph 2.8.2.3.

2.8.2.5. **Emeritus Member.** Emeriti faculty members may request membership through their respective Unit Head. This action must be initiated by the respective Unit Head to the Dean of the Graduate College and be in compliance with OTRS regulations regarding restrictions for newly retired faculty. Appointment shall be for no more than five years and shall be renewable.

The Dean of the Graduate College shall inform the Graduate Council of all membership actions described in 2.8.2.2, 2.8.2.3, 2.8.2.4 and 2.8.2.5 and shall be responsive to Graduate Council input on such matters.

2.9. **Removal or Revocation of Privileges**

2.9.2. Removal of Graduate Faculty status for all membership categories is automatic upon separation from the University unless an exception is requested (e.g., to complete service on a committee) and such exceptions will only be for a specific purpose/term, not to exceed five years. The Unit head will submit the “Removal from the Graduate Faculty” form to the Dean of the Graduate College for removal of membership.

2.9.3. Graduate faculty status may be revoked by action resulting from a complaint originated by a member of the faculty, staff, or student body at OSU. Such complaints must include appropriate documentation as evidence of cause for removal of Graduate Faculty privileges and will be evaluated by the Chair and Vice-Chair of the Graduate Council. (If a conflict of interest exists, the complaint will be evaluated by the Provost's Office.) If further action on the complaint is deemed appropriate, the existence (but not the nature) of the complaint will be brought to the attention of the Graduate Council by the Dean of the Graduate College.

2.9.4. Upon notification of such a complaint, the Graduate Council shall form an ad-hoc Membership Review Board, composed of one officer from each group, and appointed by the Vice Chair (or, if a conflict of interest exists, by the Chair). The Membership Review Board shall be appointed with the intent of avoiding conflict of interest for the members and the other involved parties. The Membership Review
Board shall hear the charges and evidence presented by both the complainant and the individual charged. The Board shall have the authority to (1) continue the status of the faculty member charged in the complaint or (2) revoke or change the Graduate Faculty status of the faculty member charged in the complaint.

2.9.5. The decision of the Membership Review Board is final and not subject to appeal. All decisions resulting from such hearings shall be communicated in writing to the parties involved.

2.9.6. Notwithstanding the above, termination from OSU for cause, as specified in the OSU Faculty Handbook, shall result in immediate and concurrent revocation of Graduate Faculty status.
